

Minutes
Annual Title I Meeting
September 5, 2019 @ 6:00 PM
West Side Elementary

MRS. Adkins, the School PIC, welcomed parents and WSE families at the door as parents signed in. and parents were given handouts, which included the Annual Title I Handout, an evaluation form for the Title I Meeting., and an agenda for parent orientation

After parents were seated, Mr. Mountjoy, the School Principal, welcomed parents and thanked them for coming to our Annual Title I Meeting. Mr. Mountjoy presented a slideshow created by Mrs. Adkins. As he went through the slideshow, he explained what a Title I School is, how we use our Title I money at West Side, our school requirements, what programs and supports we have, testing, how our teachers are highly qualified, and what is required by law for parent and family engagement. He also talked about our school goals and how we are changing from schoolwide goals to specific goals for each grade level. These goals are called S.M.A.R.T Goals. Parents were informed about the bulletin boards we have in front of the building that have the S.M.A.R.T goals posted for each grade level. It will also have benchmark testing data posted throughout the year for parents to see.

Mr. Mountjoy then shared with parents the opportunities they will have this year to participate in events, decision making, and volunteering. He also reminded them of the upcoming Fall Parent Advisory Meeting and volunteer orientation on September 17th.. Next, parents were informed about how to lodge complaints about our school and/or Title I.

The last thing discussed is how responsive our school will be when the staff is contacted. Mr. Mountjoy explained how to contact our staff through email by going to our school website.. Parents were informed about how to request meetings with teachers to stay informed about how their child is doing.

Mr. Mountjoy thanked parents for coming and encouraged them to fill out their evaluation and how important their feedback is. Parents completed their forms and turned them into Mrs. Adkins after the meeting. He then dismissed parents to attend the parent orientation. End of meeting.
