Approved: 9/17/2019

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- Begin with standards.
- Focus on student learning.
- Respond to school data.
- Define everyone's responsibilities.
- Depend on us to believe it and use it!

Goals for Student Learning

District Goals:

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 through 8.
- To improve the percentage of students graduating from high school

SMART Goals

- By May 2020, 90% of our students will read fluently on grade level as measured by the low and some risk percentiles on easyCBM - Reading.
- By May 2020, 57% of our students will score at or above Benchmark on STAR Math benchmark.

Areas of Emphasis:

- In ELA our grade level will focus on letter recognition, sounds, reading 10 minutes each night, and weekly sight word practice.
- In Math our grade level will focus on practicing counting to 100 and writing numerals 0-20.

Kindergarten Student Goals:

WSE students joined staff and parents to develop ideas about how they can succeed and reach for the stars in math and language arts. Students thought of the following ideas to make connections between learning at home and school:

- I will learn my letters and letter sounds.
- I will learn my numbers and how to count.
- Do my homework and bring it back every day.

Kindergarten Teacher Goals:

WSE teachers will work with students and their families to support students' success in language arts and math. Some of our key connections with families will be:

- Send homework pertaining to essential standards in reading, language, and math.
- Provide leveled/decodable books to read at home.

Kindergarten Parent Goals:

WSE parents joined staff to develop ideas about how families can support students' success in language arts and math.

- Set aside a quiet place for my child to do homework and make sure my child completes their homework.
- Read together and discuss books at home.
- Stay in touch with my child's teacher through conferences, emails, notes and phone calls, etc., regarding ELA and math.
