Family-School Compact for Achievement

2021-2022

Focus for Learning Fifth Grade

Revised: 10/4/2021
Approved: 10/4/2021

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- Begin with standards.
- Focus on student learning.
- Respond to school data.
- Define everyone's responsibilities.
- Depend on us to believe it and use it!

Goals for Student Learning

District Goals:

- To improve the percentage of students scoring proficient (levels 3, 4) in grades 3 through 8.
- To improve the percentage of students graduating from high school

S.M.A.R.T. Goals:

- By April 2022, 45% of our students will score at the Proficient or Distinguished Learner levels on Georgia Milestones - ELA.
- By April 2022, 42% of our students will score at the Proficient or Distinguished Learner levels on Georgia Milestones - Math.
- By April 2022, 33% of our students will score at the Proficient or Distinguished Learner levels on Georgia Milestones - Social Studies.
- By April 2022, 44% of our students will score at the Proficient or Distinguished Learner levels on Georgia Milestones - Science.

Areas of Emphasis:

- In ELA our grade level will focus on reading fluency and comprehension, as well as informational, narrative, persuasive, and opinion writing.
- In Math our grade level will focus on math fact fluency, multistep word problems, and all areas of fractions.

Fifth Grade Student Goals:

WSE students joined staff and parents to develop ideas about how they can succeed and reach for the stars in math and language arts. Students thought of the following ideas to make connections between learning at home and school:

- Ask my teachers and family for help when I do not understand what I am learning in reading or math.
- Tell my parents what I learned each day after school.
- Read for 20 minutes every night.

Fifth Grade Teacher Goals:

WSE teachers will work with students and their families to support students' success in language arts and math. Some of our key connections with families will be:

- Encourage students to read outside the classroom and reward AR goals met, by allowing children to check out leveled books in Media Center
- Encourage students to work on multiplication facts outside of classroom. Send home feedback for parents to know where their child is at in reaching their goals.

Fifth Grade Parent Goals:

WSE parents joined staff to develop ideas about how families can support students' success in language arts and math.

- I will read the class newsletter so that I am informed of what will be taught and will give me the ability to help my child learn at home.
- I will read at home with my child and practice reading skills such as learning site words, vocabulary words, fluency, and reasoning.
- I will practice math facts with my child.

Communication about Student Learning

WSE is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- Report Cards
- Parent Portal
- Class DOJO
- Newsletters
- Progress Reports
- Parent-Teacher Conferences
- Weekly Folders
- Compacts will be discussed during POWWOW meetings

Do you have questions about your child's progress?
