What is a School-parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students are successful and reach grade-level standards.

Jointly Developed

The parents, students, and staff of West Side Elementary have been given opportunities to help develop, revise, and strengthen the *School-Parent Compacts*. WSE will continue to provide these opportunities as meetings are held each year to review and revise the compacts based on student needs.

Parents are welcome to contribute comments at any time.
